Dear Vicki:

When I returned from a trip a few days before the Committee markup of the FOIA Bill, S. 1324, I was extremely pleased to learn that agreements had been reached on the outstanding issues which had been identified during the hearings on the Bill. I also understand that this level of progress could not have been achieved without your hard work and support. I know that the Director has already written you to express our appreciation; however, I would like to add my personal thanks for your efforts on this legislation. Your awareness and consideration of the Agency's position has been critical in maintaining an important balance in the negotiations and the amendments. The unanimous vote of the Committee is a tribute to your professionalism.

Sincerely,

*Congratulations
a super job*

Dear Mr. Chairman:

On 4 October the Committee unanimously passed S. 1324, as amended by your substitute Bill. I wanted to express my personal appreciation to you for your leadership in introducing this FOIA legislation and for your constant support throughout the weeks of intense negotiations on various amendments to the Bill.

The amendments which were incorporated into your substitute Bill represent the successful outcome of these negotiations and the resolution of several difficult issues. I believe the Bill will benefit both the Agency and the public and I look forward to working with you for enactment of this important legislation.

Sincerely,

/S/ John N. McMahon
